Dr. Weeks:

This letter verifies that the Undergraduate Elementary Education Teacher Preparation Program, offered by University of Phoenix, at its Colorado campuses, was approved by the Colorado Department of Education and the Colorado State Board of Education at the August 9, 2007, meeting of the State Board.

Completion of University of Phoenix (Colorado) program, along with subsequent receipt of its Institutional Recommendation (IR), thus, entitles an applicant to receive a Colorado Initial Teacher License (upon complying with any remaining Colorado Department of Education licensing and application requirements).

Thank you for your consideration.
