

COLORADO DEPARTMENT OF EDUCATION  
DWIGHT D. JONES – COMMISSIONER

DEPARTMENT OF HIGHER EDUCATION  
DAVID E. SKAGGS – EXECUTIVE DIRECTOR

April 2009

Dear Community Leader:

Colorado faces a great challenge and opportunity to make its system of public education – from pre-school through college – more successful and productive. We hope you will be able to participate in an important meeting co-sponsored by the Colorado Department of Education and the Department of Higher Education to help us meet this challenge and seize the opportunity. Two meetings are being held: one in Alamosa on April 15, 2009, and one in Pueblo on April 16, 2009.

The “Preschool to Postsecondary Alignment Act” (sometimes called the Colorado Achievement Plan for Kids, or CAP4K) was enacted in 2008 with ambitious goals. It requires the leadership of Colorado’s P-12 schools and its postsecondary institutions to establish a workable pathway from preschool into college or the workplace. Essential to that pathway is an understanding of what it means to be postsecondary and workforce ready and, with that in mind, to ensure that students not only take certain courses but actually master the content. If Colorado successfully implements this legislation, we will lead the nation in preparing our children to be successful and competitive in the global economy.

Because the Colorado Department of Education (CDE) and the Department of Higher Education (DHE) must work together for CAP4K to succeed, we are jointly holding these meetings referenced above to get input and advice from community leaders such as you. Under CAP4K, CDE and DHE are required to jointly develop an agreed-upon description of “postsecondary and workforce readiness” by December 2009. The description in turn will be the basis for the standards for school districts to meet and for the tools to assess whether the standards have been met. In short, the description we come up with over the next 12 months will guide education in this state for the foreseeable future.

The meetings on April 15 and 16 are two in a series of town hall style meetings we are convening around the state to hear the views of educators, students, parents, business people, community leaders and interested

citizens on what goes into being postsecondary and workforce ready. What skills and competencies do students need to be postsecondary ready? What skills and competencies do students need to be workforce ready? Are there special considerations for the workforce or higher education in your region of the state?

To help answer these questions, please attend one of these two meetings with key senior staff from CDE and DHE. Light refreshments will be provided before the meeting.

Wednesday, April 15	5-7 pm	Alamosa, CO	Adams State College Student Union Building, Room 308-309 208 Edgemont Blvd.
Thursday, April 16	5-7 pm	Pueblo, CO	Marriot Hotel – Pueblo 110 W. First Street

If you would be so kind as to R.S.V.P. using one of the following three methods by close of business on Monday, April 13, we would greatly appreciate it:

- 1) if you received this invitation by email, please use the voting buttons provided on the email; or
- 2) call Samantha Long at the Colorado Department of Education, 303-866-3801 and leave a voice mail message; or
- 3) send an email using [long\\_s@cde.state.co.us](mailto:long_s@cde.state.co.us).

Please feel free to forward this invitation to others you think might be interested. Thank you for your time and consideration.

Sincerely yours,

David Skaggs

Executive Director  
Department of Higher Education
