Early Childhood Education	ECE does not meet the requirements of 23-1-108(7) which states that statewide transfer articulation agreements are between degree programs. ECE is not a degree program. However, the IHEs are still participating in this agreement.					Current agreement still in effect (10/6/2004; revised 1/9/2012)		
Economics - Bachelor's Degree	Fall 2009	completed	completed	completed	approval confirmed	1/7/2011 (effective 4/1/2011)		
Elementary Education	ELED does not meet the requirements of 23-1-108(7) which states that statewide transfer articulation agreements are between degree programs. ELED is not a degree program. However, the IHEs are still participating in this agreement.					Current agreement still in effect (7/1/2006; revised 11/10/2010)		
Engineering	Engineering does not meet the requirements of 23-1-108(7) which states that statewide transfer articulation agreements are between degree programs. There are many types of engineering degrees (e.g., Petroleum Engineer, Civil Engineer, Chemical Engineer). This agreement covers them all and so varies widely depending on which 4-year IHE the student transfers into and which type of engineering degree she/he chooses. IHEs are participating in this agreement.					2/2009 (effective Spring 2009)
