

## MINUTES

### Reauthorization Committee of Colorado Council of Deans of Education (CCODE)

**May 23, 2011, 3:00-5:00pm**

DHE, Rachel B. Noel Conference Room

Present: Jennie Whitcomb, Valerie Dobbs, Donna Cooner, Jami Goetz, Karen Kelly, Ian Macgillivray, Cheryl Lovell. Guest: Carolyn Haug (UCD).

**1. Draft statement on virtual field-based experience.**

- The draft was modified slightly. Jami and Ian signed this document. It has been sent to Suzie Perry and Sandra Haynes for their signatures and will then be distributed to CCODE and posted on DHE's website.

**2. Idea to develop and use a common survey to use with graduates and employers.**

- Agreed the idea is to create a common survey that CCODE members can use and administer themselves.
- Might include entrance, exit, and follow up surveys for each endorsement area.
- A Google doc was created and Jennie will post the First Year Teacher Survey that CU Boulder uses. The group will go over the document and leave comments/questions and maybe rate the utility of each item. Jennie will check to see if CCODE can use/modify this document with the original authors.
- Ian also posted "Florida Report on Program Graduate Data" that can inform our work and serve as a state benchmark.
- **Action Item:** Group members should access the Google doc titled "Common Follow Up Survey-CCODE Reauthorization Committee" and make comments and rate items by the next meeting. Let Ian know what email address you used to create a Google account and he will share the document with you.

**3. S.B. 36 Advisory Group and HR File data.**

- UCD and CU Boulder are working with DHE and CDE to get the HR File data.
- CSU and UNC might request their data and begin verifying and analyzing it. The progress these 4 institutions make on verification and analysis of the data will lay the groundwork for other institutions to access and use their data.
- CDE has plans to do the same for graduates of alternative certification programs.
- Hai Huynh from The New Teacher Project will attend the next meeting to talk about how they've analyzed CDE's HR File data.

**4. Update from NCATE Clinic and Alliance for Clinical-Based Preparation.**

- Jami, Ian & Donna represented Colorado at this meeting May 18-20, 2011.
- Idea to discuss the 10 Design Principles from the Blue Ribbon Panel Report at the fall CCODE Retreat and how each program can incorporate those.
