

REAUTHORIZATION SITE VISITS

Proposed Expectations and Protocol

- **Expectations**
 - Colorado Department of Higher Education (DHE) and Colorado Department of Education (CDE) will cooperate with the Institution of Higher Education (IHE) to determine appropriate on-site visitation dates.
 - The Institutional Report (IR) Template and information for preparing CDE content review materials are available on DHE's website at <http://higher.ed.colorado.gov/Academics/TeacherEd/>
 - Copies of the IR are due to both DHE and CDE no later than 60 days prior to the on-site visit.
 - Evidence room: The IHE will set up an evidence room that will contain access to individual student files, work samples, syllabi, a curriculum map/matrix, general course catalog, assessment instruments, teacher candidate portfolios, new teacher survey data and other documents as appropriate. Electronic evidence, where possible, is preferred. A password may need to be provided for site visit team members to access online files. All electronic evidence should be downloaded onto each computer's desktop. Make sure the computers and internet connections work and that electronic evidence on the desktop will open.
 - Towards the end of the first day of the visit or on the second day, Dr. Jamie Goetz and Dr. Ian Macgillivray should meet with the institution's President and Provost to discuss budget and other issues that arise.
 - The Deans of each college involved in the preparation of teachers and principals should be available to the site visit team throughout each day of the visit.
 - Please ensure that your students know we will be visiting your programs, every faculty member wears a name badge during the visit, and your partner schools and cooperating teachers know we will be visiting.
 - Within 60 days after the on-site visit, the IHE will receive a draft copy of the DHE/CDE report summarizing the findings of the on-site visit.
 - The IHE will have 30 days to write a rejoinder in response to the DHE/CDE draft report in order to correct any errors of fact and to further explain any issues or concerns identified in the report.
 - Following receipt of the rejoinder, a final report will be prepared and submitted to the Colorado State Board of Education (SBE). The SBE will make its recommendation to the Colorado Commission on Higher Education (CCHE).
 - Each agency will address its unique areas of responsibility.

- **The team will generally consist of:**
 - Dr. Jami Goetz, Director of the Office of Professional Services and Educator Licensing (OPSEL), or her designee;
 - Dr. Ian Macgillivray, Academic Policy Officer/Teacher Education of DHE, or his designee;

- A building-level administrator, a practicing teacher, and other DHE/CDE-affiliated educator(s) familiar with the delivery of teacher and principal preparation programs.
- A representative of the next IHE that CDE and DHE are scheduled to visit.

Note: The following schedule is flexible and is dependent on specific circumstances at each IHE. DHE will provide examples of schedules if asked:

- Lodging should be reserved for each of the (approximately 6) aforementioned team members even if the IHE is located within the Denver metropolitan area. Also, a meeting room or some type of suite that is secure (can be locked) and can be used as a work space should also be reserved at the hotel for the site visit team to use the evenings of Days One & Two.
