## **The Day's Charge**

Faculty-to-Faculty Conference – October 14, 2011

The purpose of this meeting is to assist the General Education Council (GE Council) in collaboratively creating a statewide transfer articulation agreement for your discipline. The goal today is to work with the discipline group to identify a set of 60 credits of coursework that:

- will fulfill the requirements for an AA or AS degree with designation;
- will transfer into a BA or BS degree at a four-year institution;
- will put the transfer student at junior status if admitted; and
- will allow the transfer student to graduate with the BA or BS degree in no more than 60 credits of additional coursework, for a total of 120 credits.

The Colorado Commission on Higher Education (CCHE), in collaboration with your institution's governing board, and the GE Council is charged with creating at least fourteen of these agreements by 2016. Your discipline has been chosen for one of these statewide transfer articulation agreements.
