

RN to BSN Transfer Guide for Colorado Nursing Programs

The Colorado Department of Higher Education is not responsible for the content of this guide. Students who wish to transfer coursework should consult with the Office of Admissions and the contacts listed below at the institution to which they are considering transferring to review the courses they have taken and that they intend to take and to make sure they meet all admission and application requirements at the receiving institution, including the submission of all required documentation by stated deadlines.

<p><u>Francis Payne Bolton School of Nursing (Case Western Reserve University)</u></p> <p><u>RN-MSN Bridge Program</u></p> <ul style="list-style-type: none"> • 6 Bridge Courses offered in weekend and intensive formats (9-5 for 3-8 days depending on the course) • Then choose the MSN major desired (most have 40 semester credits required). 10 core courses. • Also offer students who have a prior degree the chance to enter their Graduate Entry Program which is a 2 year program leading to an MN and eligibility to apply for licensure as an RN. Get 15 credits applicable to most of their MSN majors. Then MSN in 1.5 to 3.5 years depending on major. Students get some DNP courses as part of this program. Then DNO in 34 credits. Can also take PhD or DNP/PhD joint program. • Also offer a fast-track BSN to PhD option. <p>http://fpb.case.edu/MSN/index.shtm</p>	<p>No specific general education courses noted except for a Statistics course that includes ANOVA. They do not require any other general education courses because they are not giving the BSN but rather are bridging to the MSN.</p>	<p>6 bridge courses = 19 cr hrs</p> <p>Fall Weekend Classes:</p> <ul style="list-style-type: none"> • 392 Dynamics of Nursing Practice Management (4) • 393 New Applications of Nursing Practice Management (4) <p>January Intensive Classes:</p> <ul style="list-style-type: none"> • 345 Nursing Informatics III (2) • 318 Nursing in the Community (4) <p>May Intensive Classes:</p> <ul style="list-style-type: none"> • 346 Nursing Informatics IV (2) • 320 Nursing Research (3) <p>Then begin the core courses and those of the specialty MSN chosen.</p>
