

Core to College P20 Partnership State Summit #2

Friday, October 18, 2013

Colorado Community College System - The Lowry Conference Center
1061 Akron Way, Building 697, Denver, Colorado

AGENDA

Meeting Objectives

P20 Partnership Members will:

- Share regional team strategy and progress, learn what other teams have started, and collaborate to merge documents by engaging in discussion, addressing questions, and building connections.
- Learn strategies to address issues and challenges facing their region
- Capture list of any emerging opportunities and connections between the project and the practices or policies that currently exist in classrooms/programs/district/state higher education systems, etc.
- Work with a rich mix of content experts from the state, a facilitator and members of their regional teams to do some short- and long-term planning and identification of resources, responsibilities, and third-party advocates
- Identify clear next steps to ensure that their regional efforts and communications planning will continue to evolve after the Summit
