MEETING ANNOUNCEMENT

On Friday, April 6, 2007, the Colorado Department of Higher Education will hold a regular meeting, by teleconference, at 1:00 p.m.

The Colorado Commission on Higher Education permits public discussion of agenda items at each of its regular meetings. Discussion items are designed to provide an opportunity for governing board and public consultation prior to Commission action. The Department will open its conference room for the public who would like to “attend” this meeting.

If you have questions about the meeting, please call Suzanne Stark at (303) 866-4051 or Heather DeLange at (303) 866-4209.
