Dear Dr. Fulton:

At its meeting on August 14, 2008, the Colorado State Board of Education approved the content of the Jones International University LDE and LDE: Bilingual teacher preparation programs.

The Colorado State Board of Education determined that the content of Jones International University's teacher preparation program meets the requirements specified in 22-2-109(3), C.R.S., and, consequently, has directed its staff to transmit its affirmative recommendation to the Department of Higher Education (DHE).

Thanks to you for:

- The leadership that you, personally, have provided, and do provide to Jones International University's program;
- The cooperation and hard work of your staff on the preparation of the program and its documentation; and
- Notably, the worthy efforts in which you and your staff have been, are and will be engaged that provide Colorado's students with teachers of excellence.

Sincerely,
