

**TOPIC:                   REPORT ON THE STATUS OF COLORADO STATE  
UNIVERSITY-GLOBAL CAMPUS COMPLIANCE**

**PREPARED BY:    JULIE CARNAHAN**

**I.            SUMMARY**

This agenda item is an update on the status of the CSU-Global degree programs submissions previously discussed by the Commission on March 6, 2009. At that meeting the Commission passed a motion which reaffirmed the need for the degree programs offered through CSU Global be resubmitted for approval under CSU-Pueblo or CSU (Fort Collins). The Commission further established a deadline of March 20, 2009 for the undergraduate degree programs and April 21, 2009 for the graduate degree programs. The submitted degree program proposals will be considered for action at the May 1, 2009 Commission meeting.

The following undergraduate degree program proposals with accompanying letters of certification were received by March 20, 2009.

- Business Management
- Public Management
- Organizational Leadership
- Applied Social Sciences

DHE staff will review the degree program proposals and prepare agenda items for Commission action at the May 1, 2009 Commission meeting. It should be noted that two of the aforementioned degree programs were not part of the CSU-Global degree programs covered in the November 13, 2008 Commission meeting but are additional undergraduate degree programs that CSU-Pueblo is proposing to be offered through CSU-Global.
