Note: Colleges were selected from <http://collegenavigator.ed.gov> with the criteria:

1. Bachelor degrees awarded
2. Enrollment > 10,000 students
3. 4 year institution

Source: College Navigator for all but the FTES. FTES were gathered from the institution website.

**NOTES:**

1. Out of 248 four-year institutions with headcount greater than 10,000 students and offering Bachelors degrees, Metro State is the only "Baccalaureate Only" institution.
2. A total of 11 four-year institutions offer a bachelors as the highest degree.
3. The two four-year institutions highlighted in blue above are the most similar to Metro State, but offer Associates degrees
4. As of July 2008 Utah Valley State College began offering graduate level programs.
