Dr. Julie Carnahan
Chief Academic Officer
Department of Higher Education

Dear Julie:

Attached to this letter is a memo from Dr. Lance Perryman, Acting Provost at CSU regarding their application for a PhD program in applied developmental science to be offered through the College of Applied Human Sciences. In addition to the review process he details in his memo, I also reviewed the program and agree with the conclusions noted. This proposal was submitted to the Board of Governors of the Colorado State University System at its meeting of October 1, 2008, and received the Board's unanimous approval.

If there is anything further I can add, please don't hesitate to let me know.

Sincerely,

A handwritten signature in black ink, appearing to read "Russell J. Meyer", with a long horizontal flourish extending to the right.
