Dr. Julie Carnahan
Chief Academic Officer
Colorado Department of Higher Education
1560 Broadway, Suite 1600
Denver, CO 80202

Dear Dr. Carnahan:

I have been authorized by the Dean of the Hasan School of Business (Dr. Michael Fronmueller), the Dean of the College of Humanities and Social Sciences (Dr. Roy Sonnema), and the CSU-Pueblo Faculty Senate (Dr. Jennifer Peters, President) to certify that the four undergraduate programs and their associated courses submitted by the Colorado State University Global Campus meet the standards normally expected for distance education programs at CSU-Pueblo:

Bachelor Degree Completion Program in Organizational Leadership
Bachelor Degree Completion Program in Public Management
Bachelor Degree Completion Program in Business Management
Bachelor Degree Completion Program in Applied Social Sciences

The courses used in these degree programs originated on the CSU-Pueblo campus, were revised for on-line delivery by CSU-Global faculty and course designers, and then approved by the appropriate CSU-Pueblo faculty.

The degree programs are consistent with the role and mission of Colorado State University-Pueblo and have received extensive review both by the CSU-Global Academic Council and on our campus. Certifying letters from the Dean of the Hasan School of Business and the Dean of the College of Humanities and Social Sciences are enclosed. The Board of Governors of the Colorado State University System approved these programs at its meeting of February 9, 2009.

Finally, we have reviewed the credentials of all faculty currently teaching undergraduate courses for CSU-Global and have concluded that they also meet the standards we expect of distance education faculty.

Sincerely,

A handwritten signature in black ink, appearing to read "Russell J. Meyer".
