EDUCATION POST-BACCALAUREATE TEACHER
PREPARATION PROGRAMS AT UNIVERSITY OF NORTHERN
COLORADO**

PREPARED BY: DR. IAN MACGILLIVRAY, DR. JULIE CARNAHAN

I. SUMMARY

This action item is for initial approval for the University of Northern Colorado (UNC) to offer a post-baccalaureate K-12 teacher education endorsement in Art, Music and Physical Education.

II. BACKGROUND

This program is for people who already hold a bachelor's degree in the respective content area (art, music, or physical education) and who are returning to school to gain an initial license to teach. These three endorsement programs will prepare teachers to work in Kindergarten through secondary (K-12) education.

Pursuant to C.R.S. 23-1-121, the Colorado Commission on Higher Education determines approval of all teacher preparation programs at public and private institutions of higher education, upon receiving an affirmative recommendation from the State Board of Education. The process for reviewing and approving proposed teacher preparation programs is as follows: the Colorado Department of Education (CDE) conducts a review of the proposed programs to ensure that the content of each program is designed and implemented in a manner that will enable a teacher candidate to meet the requirements for teacher licensure in Colorado (C.R.S. 22-60.5). The CDE then makes a recommendation to the State Board of Education, which then makes a recommendation to the Department of Higher Education (DHE). Upon receiving an affirmative recommendation, DHE reviews the program proposals for the following statutory performance criteria: admission system; screening and counseling of teacher candidates; integration of theory and practice in coursework and field based training; supervised field based experience (at least 800 hours); and assessment of candidates' subject matter and professional knowledge and ability to apply the professional knowledge base (C.R.S. 23-1-121.2). In the case of private institutions, DHE will review the proposal only for supervised field based experience (C.R.S. 23-1-121.5).

III. STATE BOARD OF EDUCATION APPROVAL

At its meeting on October 8, 2009, the Colorado State Board of Education approved the content of these program proposals. CDE staff transmitted its affirmative recommendation to the Department.

IV. DEPARTMENT OF HIGHER EDUCATION REVIEW

Pursuant to C.R.S. 23-1-121, the Department confirmed that the program proposal meets all performance criteria.

V. STAFF RECOMMENDATION

That the Commission approve the proposals for the University of Northern Colorado to offer K-12 Post-Baccalaureate Art, Music and Physical Education endorsements.
