Dr. Julie Carnahan
Chief Academic Officer
Colorado Department of Higher Education
1560 Broadway, Suite 1600
Denver, CO 80202

Dear Dr. Carnahan:

The enclosed proposal for a bachelor of science degree in athletic was approved by the Board of Governors of the Colorado State University System at its meeting of June 24, 2009.

Prior to submission to the Board, the proposal went through the appropriate process on the CSU-Pueblo Campus, including approvals at the departmental, college, and campus levels.

We believe that the proposal is sound, that the proposed degree program fits clearly within the limitations of our role and mission, and that there is a significant demand for such a degree in our direct service area.

We will very much appreciate your placing this proposal on the CCHE agenda at the next opportunity.

Thank you very much for your help; should you have any questions, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Russell J. Meyer", with a long horizontal flourish extending to the right.
