

TOPIC: CORRECTION TO CCHE POLICY IV: STATEWIDE EXTENDED STUDIES

PREPARED BY: IAN MACGILLIVRAY, ASSISTANT DEPUTY DIRECTOR FOR ACADEMIC AFFAIRS

I. SUMMARY

This consent item recommends a correction to CCHE Policy IV: Statewide Extended Studies.

II. BACKGROUND

At its May 4, 2012 meeting, the Commission approved a revision to CCHE Policy IV: Statewide Extended Studies (Item IV, A). Subsequent to that meeting, it was discovered that a phrase in the new, approved policy should have been deleted. The phrase is in Section 5.02.01: Requesting Approval for a New Program. The first sentence of that section states, “Programs approved to collect COF stipends must adhere to CCHE Policy Section II Part D and COF Guidelines.” Since there is no longer a Section II or Part D to the policy, department staff recommend the following correction to that sentence:

“Programs approved to collect COF stipends must adhere to ~~CCHE Policy Section II Part D and~~ COF Guidelines.”

V. STAFF RECOMMENDATION

That the Commission approve the above correction to CCHE Policy IV: Statewide Extended Studies.

VI. SUPPLEMENTAL INFORMATION

Copies of all relevant statute and policy are on file in the Department of Higher Education.
