

**TOPIC: TWO-YEAR CASH FUNDED CAPITAL PROGRAM LIST  
AMENDMENT – FORT LEWIS COLLEGE**

**PREPARED BY: TONYA COVARRUBIAS**

**I. SUMMARY**

This item requests approval of a Two-Year Cash Funded Capital Program list amendment and program amendments for Fort Lewis College (FLC). One (1) project has been added to their cash funded project list. The comprehensive list is included as Attachment A.

**II. BACKGROUND**

Current law allows governing boards to amend their two-year capital construction lists at any point during the fiscal year, and such amendments are to be submitted to the Colorado Commission on Higher Education (CCHE) and the Capital Development Committee (CDC) for approval or re-approval.

Department and CDC policy and practice is that no Cash Funded project may commence until it has received approval from the Commission and the CDC on the Two-Year list for non-intercept projects. In addition to CDC and Commission Two-Year Cash Funded list approval, a program plan must be reviewed and approved for Intercept projects. Last December, the Commission approved all submitted Two-Year Cash Funded Capital Program lists. They were approved by the legislature's Capital Development Committee in January.

**III. STAFF ANALYSIS**

The FLC list adds one (1) project at an additional cost of \$3.3 million making FLC's total projection of cash needs approximately \$3.3 million. Table 1 displays the amended cash funded projects as reported on the two-year list by funding type.

FY 2013-14 to 2014-15**

<b>CF</b>	\$3,300,000
<b>FF</b>	\$0
<b>TF</b>	<b>\$3,300,000</b>

For this project, Table 2 displays the breakdown between the academic and auxiliary nature of the project and whether or not the projects will be financed under the Higher Education Revenue Bond Intercept Program (C.R.S. 23-5-139). The Intercept program permits schools to issue

bonds for capital construction and use either the state's credit rating (opt in), or use their own credit rating (opt out). Academic facilities are those that are considered core to the role and mission of the institution (e.g. classrooms, student services, libraries), while auxiliary facilities are those that are not considered core to the role and mission and exist for some other purpose (e.g. residence halls, recreation centers, parking facilities).

**Table 2:  
Cash Funded Project Types**

	<b>Academic</b>	<b>Auxiliary</b>	<b>Total</b>
<b>Intercept</b>	0	0	<b>0</b>
<b>Non-Intercept</b>	0	1	<b>1</b>
<b>Total</b>	<b>0</b>	<b>1</b>	<b>1</b>

Senate Bill 09-290, allows academic facilities constructed to be eligible for state Controlled Maintenance Funds. Non-Intercept projects will only have their cost projections reviewed in the Two-Year list, while Intercept projects require approval in the Two-Year list as well as program review. In accordance with the two step approval process for cash funded projects, the Department will review all budget documents submitted for Intercept Act cash projects and submit all forms to the General Assembly's Capital Development Committee as they are approved.

The amendment to FLC's Two-Year List is described briefly below:

***“Bader/Snyder Residence Hall Improvements, Phase 2”*** is part of a three (3) phase project to remodel a six residence hall building complex. The complex was built in 1968, and the facilities are currently not compliant with existing codes. Additionally, the interiors of the buildings are cramped and need modernization. The project would be funded with net auxiliary revenues from such sources as student housing and conference services, food service, and the bookstore. FLC anticipates it would commence the project in September 2014 and complete it in May 2015.

#### **IV. STAFF RECOMMENDATIONS**
