I have elected to continue my education and training at Pima Medical Institute; and hereby authorize by my signature below that the Division provide to Pima my student file/student records, as provided to the Division by Mile High Medical Academy.

At this time, I do not plan on continuing my education and training at Pima Medical Institute; and with my signature below hereby knowingly and voluntarily decline to participate in this opportunity presented by the Division. I hereby request the Division on my behalf provide all available information and forms necessary to submit a request/file a claim for a refund of prepaid unearned tuition, to which I may be entitled. \*

\* Prepaid unearned tuition is monies paid the school for your education but not delivered by the school.

Please be advised that the filing of a claim form *does not guarantee* the claimant/student will be eligible to receive a refund; nor does it guarantee that a student found to be eligible, will receive the full requested or determined unearned income amount. The filing of a claim form is the initial administrative step in determining a student's eligibility. Once determined, there is no guarantee that the monetary surety amount will be adequate to pay all eligible claims for unearned income in full.
