What is this about?

The Office of Barber and Cosmetology will convene a stakeholder meeting to summarize and take comments on amendments to the Rules in order to complete the implementation of [Senate Bill 15-106 Concerning the Continuation of the Regulatory Authority Granted Under the “Barber and Cosmetologist Act.”](#)

Why does the Board need my help?

We need your help to identify the effects of the proposed amendments and new Rules needed for implementation. We will use this feedback to draft rule revisions and additions for consideration during the formal rulemaking proceeding. Your opinions and recommendations will help shape any revision of the Rules.

How do I submit my comments and what is the deadline?

We will hold two Stakeholder Meetings. The first is Friday, November 4, 2016, 1:00 p.m. at 1560 Broadway, Room 110D, Denver, 80202. The second is Thursday, November 10, 2016, 1:00 p.m. at 1560 Broadway in the 19th Floor Conference Room. Oral comments will be taken from participants who are present in-person. If you cannot make the meeting in-person or wish to make written rather than oral comments, you may email your written comments to dora_barber-cosmetology@state.co.us by **November 16, 2016** at 5:00 p.m.

Will my comments become part of the official record for rulemaking?

Yes, we will incorporate your comments into the official record when we commence with rulemaking. Our office will identify your comments as information received in anticipation of rulemaking to support the development of a proposed draft rule revision. Please note that you will have an additional opportunity to provide testimony and/or written comments regarding rules at the Rulemaking Hearing.

May I invite others?

YES! If you know of any person or persons who may be interested in providing feedback, please do not hesitate to forward this information.

What if I need additional information?

If you have any questions or concerns about stakeholder input, please send them to dora_barber-cosmetology@state.co.us Additional information will be posted on the [Office of Barber and Cosmetology Licensure website](#)
