The National Association of State Administrators and Supervisors of Private Schools (NASASPS) invites you to submit a proposal to present at its 2011 annual conference, which will be held May 1 -4, 2011 at The Brown Palace Hotel in Denver, Colorado. The conference theme is *“Strengthening Regulatory Oversight Through Strategic Alignments”*.

The conference will include both submitted and invited presentations. Conference participants include professionals from state and federal regulatory agencies, degree and non-degree granting private postsecondary institutions, national and regional accrediting agencies, state guarantee agencies, lenders, and other interested parties.

Presentations are generally 60 minutes in length. They may be lead by a single presenter or a moderated panel. Previously presented topics can be found on the NASASPS website at <[www.nasasps.org](http://www.nasasps.org)>. A complete timeline for presentation proposals and registration form are included.

Preference will be given to session proposals that:

- Provide useful information, skills, or ideas consistent with the conference theme.
- Actively engage the audience via discussion, demonstration, question and answer sessions.

Presenters are strongly encouraged to provide resources and/or reference materials attendees can take home with them or attain through electronic means.

Enclosed is a Proposal Form, along with timelines. Proposals may be submitted electronically to Jacqueline Johnson, chair of the conference planning, at <[jjohnson@ksbor.org](mailto:jjohnson@ksbor.org)>. For more general information about the conference, please contact John Ware, NASASPS President, at <[john.ware@scr.state.oh.us](mailto:john.ware@scr.state.oh.us)>. The NASASPS Board encourages you to share this Call for Proposals with others who may be interested in submitting a proposal.
