Stakeholder Meeting Notice for Rulemaking to Increase Fees and Clarify Surety Instrument Requirements

Tuesday, October 25, 2016, 1:00 P.M.

Due to the increased cost incurred by the Division of Private Occupational Schools (Division) for the administration of Article 59 of Title 12, C.R.S., including recent actions taken by the U.S. Department of Education which have resulted in school closures and therefore a decrease in Quarterly Student Enrollment/Assessment fees, increased compliance enforcement which has led to an increased number of formal actions being taken by the Private Occupational School Board (Board), the Board is considering an increase in all fees as outlined in the fee schedule in Rule II by approximately 10-15%, as well as the addition of new fees.

Furthermore, the Board is considering revisions (for purposes of clarification) to the rules addressing surety instruments as required pursuant to §12-59-115(3), C.R.S.

The Division will hold a stakeholder meeting on Tuesday, October 25, 2016, at 1:00 P.M. at 1560 Broadway, Denver, CO 80202. Stakeholder input will be limited to the aforementioned rule revisions under consideration. You may also email your written comments to Lisa Hill at lisa.hill@dhe.state.co.us, no later than 5:00 PM on Friday, October 21, 2016. Your comments will be incorporated into the official rulemaking record.
