Higher Education

Policy Implementation Meeting

July 17, 2014
1:30pm – 3:30pm
Emily Griffith
DHE, 1560 Broadway
Denver, CO 80202

Call in information:
1-877-820-7831
Participant code: 215368#

Meeting Objectives:

- Finalize criteria

1:30 pm Committee Progress Beth

Committee Charge is to review admissions, enrollment and academic range data from the institutions to help

1. Determine the impact that this new policy and the minimum admissions standards will have on enrollment decisions;
2. Determine whether the window serves as a useful tool for institutions admission procedures;
3. Answer the key data questions the Department received during the review process;
4. Provide guidance on whether institutions should work within their selectivity groups to develop minimum standards that align with one another; and
5. Guide the process of institutions in developing minimum standards.

Date	Topic	Progress	Decision made
January 23, 2014	How will the new policy impact institutions enrollment?	complete	Neutral
February 27, 2014	Is the window Useful? Do we need it in the policy?	complete	If we use mid-50 no window, if we use minimum standards use window.
April 3, 2014	How will institutions define rigor?	complete	IHE's want to use the HEAR language in policy
April 24, 2014	How should selectivity be defined without the index?	In-progress	Conversation has moved to DHE
June 26, 2014	How should institutions calculate the mid-50% ranges for their Admission	Complete	

	Standards?		
July 17, 2014	What criteria will CCHE use to evaluate institutions admission standards?	In-progress	Mid-50 % GPA, ACT, SAT and rigor definition

1:40 pm Institutions present their admission standards

3:15 pm Next steps

Beth

Standards due to DHE by December 2014
