Commissioner Stevinson moved to approve the baccalaureate degree program. The motion was seconded by Commissioner Haynes and unanimously passed.

Performance Contract Extension to June, 30, 2011 – Executive Director David Skaggs informed the Commission that the current performance contracts between the Commission and department and each governing board expire June 30, 2009, except the Colorado School of Mines, which contract expires June 30, 2011. Mr. Skaggs explained that the recent evaluation of the College Opportunity Fund (COF) had identified some areas in which the performance contracts could be strengthened, and that the proposed comprehensive planning effort would certainly include consideration of changes to COF and to the performance contracts. It is therefore appropriate to extend the terms of the current contracts during the time of the planning effort. Mr. Skaggs requested that the Commission authorize agreements with the governing boards to extend, through June 30, 2011, the performance contracts that otherwise expire June 30, 2009.

Commissioner Stevinson moved to approve the extension. The motion was seconded by Commissioner Beckner and unanimously passed.

Draft Description on Post-secondary Workforce Readiness – Dr. Julie Carnahan presented the Commission with a working draft description of Post-secondary and Workforce Readiness in preparation for the Commission/State Board of Education meeting on June 30, 2009 at which the Commission and Board would consider official action on the description.

This was a discussion item and required no action by the Commission.

Framework Draft for Comprehensive/Master Planning for Higher Education – Executive Director David Skaggs briefed the Commission on the proposed comprehensive planning effort for Higher Education in Colorado.

This was a discussion item and required no action by the Commission.

Commissioner Stevinson moved to adjourn the meeting. The motion was seconded by Commissioner Robinson. The meeting was adjourned at 3:45 pm.
