

**TOPIC: TWO-YEAR CASH FUNDED CAPITAL PROGRAM LIST  
AMENDMENT– COLORADO STATE UNIVERSITY - PUEBLO**

**PREPARED BY: TONYA COVARRUBIAS, FINANCE POLICY OFFICER**

**I. SUMMARY**

This item requests approval of a Two-Year Cash Funded Capital Program list amendment for Colorado State University – Pueblo (CSU-P). The list includes one project that CSU-P will pursue. The cash list is included as Attachment A.

**II. BACKGROUND**

Current law allows governing boards to amend their two-year capital construction lists at any point during the fiscal year, and such amendments are to be submitted to the Commission and the Capital Development Committee (CDC) for approval or re-approval.

Department and CDC policy and practice is that no Cash Funded project may commence until it has received approval from the Commission and the CDC on the Two-Year list for non-intercept projects. In addition to CDC and Commission Two-Year Cash Funded list approval, a program plan must be reviewed and approved for Intercept projects. Last December, the Commission approved all submitted Two-Year Cash Funded Capital Program lists. They were approved in January by the legislature’s Capital Development Committee.

**III. STAFF ANALYSIS**

The CSU-P list adds two new projects at a cost of approximately \$8 million. This cost is to be covered primarily from gifts, grants and donations. Table 1 displays the new cash funded project as reported on the two-year list by funding type.

<b>FF</b>	\$0

For this project, Table 2 displays the breakdown between the academic and auxiliary nature of the project and whether or not the project will be financed under the Higher Education Revenue Bond Intercept Program (C.R.S. 23-5-139). The Intercept program permits schools to issue bonds for capital construction and use either the state’s credit rating (opt in), or use their own credit rating (opt out). Academic facilities are those that are considered core to the role and mission of the institution

(e.g. classrooms, student services, libraries), while auxiliary facilities are those that are not considered core to the role and mission and exist for some other purpose (e.g. residence halls, recreation centers, parking facilities).

Cash Funded Project Types**

	<b>Academic</b>	<b>Auxiliary</b>	<b>Total</b>
<b>Intercept</b>	0	0	<b>0</b>
<b>Non-Intercept</b>	0	2	<b>2</b>
<b>Total</b>	<b>0</b>	<b>2</b>	<b>2</b>

Senate Bill 09-290, allows academic facilities constructed to be eligible for state Controlled Maintenance Funds. Non-Intercept projects will only have their cost projections reviewed in the Two-Year list, while Intercept projects require approval in the Two-Year list, as well as program review. In accordance with the two step approval process for cash funded projects, the Department will review all budget documents submitted for Intercept Act cash projects and submit all forms to the General Assembly's Capital Development Committee as they are approved.

The new additions to CSU-P's Two-Year List is described briefly below:

***“Occhiato University Center Addition Phase II”*** project is a 20,000 gsf addition to CSU-P student center. The addition will include housing of new student services and a new multi-purpose theater space. It will be paid for through gifts, grants and donations. If approved, the project would commence in May 2015 and would be completed in May 2017.

***“Soccer Lacrosse Complex”*** project will replace the existing grass field with a new synthetic turf surface, sized larger than the existing field. The new building will allow home and visiting team functional spaces, as well as providing ticketing, concessions and public toilets. It will be paid for through gifts, grants and donations. If approved, the project would commence in December 2013 and would be completed in August 2014.
