Dear Ms. Innes,

This letter is provided in response to your request for acknowledgement that the Middle States Commission on Higher Education has been notified of Relay Graduate School of Education's intention to seek approval to establish an additional location in Colorado. Relay Graduate School of Education has been accredited by MSCHE since 2012. The institution's next evaluation and visit will occur in the academic year, 2016-2017.

In accordance with MSCHE policy and the provisions of the Higher Education Opportunity Act (HEOA) of 2008, an institution must receive Commission approval prior to implementing changes such as the establishment of domestic and international additional locations. Therefore, the institution is required to submit the appropriate application and supporting documentation for Commission review and approval prior to the establishment of the additional location.

We appreciate receiving notification of Relay Graduate School of Education's plans and look forward to providing any additional assistance or information, as necessary. Please feel free to contact me with any questions.

Kind regards,

A handwritten signature in black ink that reads "Diana E. Bonner".
