At 2-year institutions, counts are degrees, i.e. a single student that received a certificate as well as an Associates is counted twice.

For 2-year institutions, "Graduated at Transfer Institution" includes only 2-year to 2-year transfers

The Graduation Rate of transfers only includes degrees attained by transfers at Colorado institutions reporting to SURDS.

For two-year transfers, the rate only includes those that attained an associate degree or certificate after transfer, at Colorado institutions reporting to SURDS.

"Pell" represents Pell recipients in FY2005
