

You can earn college credit for the DSST exams listed in this table on which you score a 400 or higher. The credit is guaranteed to transfer but it is **not guaranteed to apply to degree requirements**. See the end of this document for more information on:

- GT Pathways general education requirements and limitations.
- Degrees with different GT Pathways requirements.
- Who to contact if you have a question.
- How credit for DSST applies to GT Pathways.

How to read this table: The different DSST exams are listed in the furthest left-hand column, along with the GT Pathways content category satisfied by the exam. Next, going right, is the minimum exam score required to receive credit. In some cases, a higher exam score may result in more credit awarded (consult with individual colleges and universities for more information). The colleges and universities and the credit they award are listed in the next columns. For example:

DSST Exam	Score	Institutional Name
Ethics in America GT-AH3 <i>(GT Pathways content category satisfied by this exam)</i>	400	PHIL 112 <i>(the course for which you will received credit; when there is no equivalent course, the institution has identified a generic transfer equivalency)</i> (3) <i>(at least 3 credit hours must be awarded for an exam score of 400)</i>			

College & University Abbreviations:

- **Aims CC*** = Aims Community College, Greeley
- **CCCS*** = Colorado Community College System
- **CMC*** = Colorado Mountain College (11 locations)
- **ASU** = Adams State University, Alamosa
- **CMU** = Colorado Mesa University, Grand Junction
- **CSU** = Colorado State University, Ft. Collins
- **CSU-Global** = Colorado State University – Global Campus (online)
- **CSU-Pueblo** = Colorado State University – Pueblo
- **FLC** = Fort Lewis College, Durango
- **MSU Denver** = Metropolitan State University of Denver
- **UCB** = University of Colorado – Boulder
- **UCCS** = University of Colorado – Colorado Springs
- **UCD** = University of Colorado – Denver
- **UNC** = University of Northern Colorado, Greeley
- **WSCU** = Western State Colorado University, Gunnison

*CCCS includes Arapahoe CC; Colorado Northwestern CC; CC of Aurora; CC of Denver; Front Range CC; Lamar CC; Morgan CC; Northeastern Junior College; Otero Junior College; Pikes Peak CC; Pueblo CC; Red Rocks CC; Trinidad State Junior College; and Colorado Community College Online.

*Aims Community College and Colorado Mountain College also offer the courses listed under CCCS.

More Information:

- [GT Pathways general education requirements.](#)
- [List of degrees with different GT Pathways requirements.](#) Some degrees (like many engineering, computer science, nursing, and other degrees) do not contain the full GT Pathways curriculum, and some DSST exam credits may not apply.
- How credit for DSST applies to GT Pathways:
 - The credit awards in this table are effective starting May 4, 2018, when the revised [Prior Learning Assessment policy](#) was approved by the Colorado Commission on Higher Education (CCHE).
 - Students should consult with academic advisors on how credit for DSST can meet degree requirements.
 - Colleges and universities may award credit for other DSST exams that are not listed here (check with the college or university).
 - DSST exams taken more than 10 years ago may not be eligible for credit.
 - At least 3 credit hours shall apply first to the appropriate GT Pathways content area until the amount of credit has been met for that GT Pathways content area. Once a GT Pathways content area requirement has been met, any additional credit in that content area may be awarded to fulfill other degree requirements, such as general education, prerequisite, major, or elective credit. For example, the GT Pathways mathematics requirement is 3 credits. If a student brings passing cut scores on two different math exams (such as College Algebra and Statistics), then the student shall receive 3 credits applied towards the GT Pathways mathematics requirement. Any additional credits may be awarded to fulfill other degree requirements, such as general education, elective, or major/prerequisite credit, at the institution's discretion.
 - Colleges and universities determine the amount of credit to award for DSST scores above 400, but they must award at least 3 credits. Credit awarded shall be transcribed as a course satisfying the appropriate GT Pathways category at the institution. When there is no equivalent, the institution shall create a generic transfer equivalency for a course in that GT Pathways content area (i.e., GT-AH1, GT-AH2, etc.). Some generic transfer equivalencies are marked as "1XX" or "2XX." Please work with your intended college or university to determine how your DSST exam credit will transfer.
- The Health & Human Development exam transfers in as ***KIN 100 (3)** at CMU and as ****PSYC 3145 (3)** at UCD. These courses may not transfer in as GT-SS3 at those institutions. Please work with an advisor to determine which GT Pathways content area they will transfer in as.
- The Organizational Behavior exam transfers in as ****PSYC 3145 (3)** at UCD. This course may not transfer in as a GT-SS3. Please work with an advisor to determine which GT Pathways content area this will transfer in as.
