GEC Reps: Please encourage the same faculty members to participate as did at the last F2F. Please advise faculty that attendance at both days is ideal; but one day is better than not attending at all. A list of last spring's F2F attendees is attached to the cover email. If the same attendees cannot participate, please make sure their substitutes are up to speed!

**** Each four-year institution is encouraged to send one (1) faculty member from *each content area* to participate in these discussions.

**** The Colorado Community College System (not each individual community college) is encouraged to send a twenty-four (24) person delegation consisting of four (4) faculty members from *each content area* to participate in these discussions.

**** Aims and Colorado Mountain College are encouraged to send one (1) faculty member from *each content area* to participate in these discussions.

GEC Reps: Please send a list of your institution's delegation, by close of business, Wednesday, October 14, 2015, to:
