### Agenda

1. Greetings and Introductions – *Carl Einhaus and Ian Macgillivray, CDHE*
2. Updates from GE Council and Questions from December 12, 2016 GE Council Meeting – *Ian Macgillivray, CDHE; Darcy Briggs – ACC; and Charlie Couch – UNC*
  - a) PLA update – CLEP & DSST and other AP/IB exams and Section 6.01 of [PLA Policy](#).
  - b) Are there any institutions that don't note which credits on their transcripts were awarded through PLA? If so, which institutions and would they consider noting PLA credits as such?

If the student earns the equivalent of a C- or better on an institutionally-devised challenge exam, transcript the credits as earned institutional credit and, at a minimum, include the name and number of the course, the number of institutional credits, the GT Pathways category, and note that it was a challenge exam; and

Formatted: Font: Bold

Need time to test this. Create subcommittee to test the implications of making these changes.

Intake advisors need to look in the Transfer Credit area so they don't miss challenge exam credit that is guaranteed to transfer and apply to GT Pathways requirements.

In what section is challenge exam and PLA credit getting transcribed? Examples? When test out, need to put it under Institutional Credit.

- c) What does PLA credit look like on your transcript? Please bring examples of transcripts with AP or IB and challenge exam credit transcribed (if these are readily available).
  - d) Need to add GED and other types of PLA to the policy explicitly?
