"Refreshed" 2017

Academic Officer CHE
Tim Condit?

Credentialed to meet future job demands
By 2025, 75% of CO Jobs will require some credential

Goal: 66% of Population 18-40? some form of credential

- 1 Credential Completion
- 2 Student Success
- 3 Erase minority gaps
- 4 Affordability

Have done a great job selling the personal value of higher ed - earn ^{1 mil} more
- negative effect: - Public feels as though they should pay
- need to sell the CIVIC value

Community Colleges

- working on the BT Pathways system to facilitate completion
- 35% of our students start with need for remediation

commission may act otherwise
Wayne: typically follow advice of groups

Expansion of our relationship with C CHE

what do we hope for in this larger role?

- o mechanism for gathering faculty expertise
- o gather concerns of faculty
- o more input on fac to fac agenda

OEC - open education resource

- issues directly relevant to instruction
- directly relevant to classroom
- body to disseminate and communicate values
