RESOLUTION OF TRIBUTE TO THE GENERAL EDUCATION COUNCIL

WHEREAS the General Education (GE) Council has successfully overseen the creation and maintenance of the state guaranteed-to-transfer general education curriculum, known as gtPathways, that now contains over 1,200 courses guaranteed to transfer between all public higher education institutions in Colorado;

WHEREAS the GE Council has advised the Commission on a statewide transfer policy and "Degree Completion and Transfer Guide," both of which help ensure seamless transfer and degree completion; and

WHEREAS the GE Council has overseen the creation of 28 statewide transfer agreements in the most common majors declared by students, thus surpassing the statutory mandate to create fourteen such agreements by July 1, 2016;

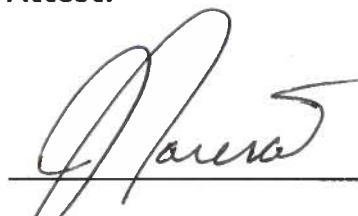

Now, therefore, the Colorado Commission on Higher Education offers its heartfelt tribute to the General Education Council, with great thanks for its service on behalf of the students of Colorado in creating guaranteed pathways leading to degree completion.

Done this 4th day of December, 2014.
