

You can earn college credit for the IB exams listed in this table on which you score a 4 or higher. Students who completed the International Baccalaureate (IB) Diploma Programme shall, at a minimum, receive 24 semester credits, which shall apply to general education, elective or major requirements (at the public institution's discretion), for IB exams administered as part of the Diploma Programme on which the student received a score of 4 or higher, per §23-1-13.3, Colorado Revised Statute. The credit is guaranteed to transfer but it's **not guaranteed to apply to degree requirements**. See the end of this document for more information on:

- GT Pathways gen ed requirements.
- Degrees with different GT Pathways requirements.
- Full names of abbreviated colleges & universities.
- Who to contact if you have a question.
- How credit for IB applies to GT Pathways.

**How to Read This Table:** The IB exams are arranged in alphabetical order down the left column. Next are the exam scores; the higher a score, the more credit may be awarded. The colleges & universities and the credit they award are listed in the rows (see College & University Abbreviations at the end of this document). For instance:

IB Exam	Score	Aims CC* (name of college or university)	CCCS*	CMC*	ASU	CMU	CSU	CSU - Global	CSU - Pueblo	FLC	MSU Denver	UCB	UCCS	UCD	UNC	WSCU
<b>Biology HL</b> (IB exam) Fulfills <a href="#">GT-SC1</a> (Gen Ed requirement satisfied by this exam)	4 (exam score)	BIO 111 (course you get credit for) (5) (credit hours) GT-SC1 (GT Pathways category)

### More Information:

- [GT Pathways gen ed requirements.](#)
- [List of degrees with different GT Pathways requirements.](#) Some degrees (like many engineering, computer science, nursing and other degrees) do not contain the GT Pathways curriculum and credit for IB may not apply.
- How credit for IB applies to GT Pathways:
  - The credit awards in this table are effective for new students starting class on or after July 1, 2016.
  - Students who completed the International Baccalaureate (IB) Diploma Programme shall, at a minimum, receive 24 semester credits, which shall apply to general education, elective or major requirements (at the public institution's discretion), for IB exams administered as part of the Diploma Programme on which the student received a score of 4 or higher, per §23-1-13.3, Colorado Revised Statute.
  - If you did not complete the IB Diploma Programme, you can still earn college credit for the IB exams listed in this table. The credit is guaranteed to transfer **but it's not guaranteed to apply to degree requirements.** For instance, if you take two different IB History exams, you could potentially get 6 credits in college-level history. However, if your degree program only requires 3 credits of history (which most do), then only 3 of those 6 credits will apply to the degree and you will be only 3 credits closer to graduation, not 6 credits closer. The statewide minimum cut score for awarding GT Pathways credit for both the Standard Level (SL) and Higher Level (HL) IB exams listed below is 4 (except in the case of GT-AH4: World Language). It is anticipated that more IB exams will continue to be added to this list. Institutions may award credit for IB exams not listed here but are required to award credit at least for these exams. IB exams taken more than 10 years ago may not be worth credit.
  - At least 3 credit hours shall apply first to the appropriate GT Pathways content area requirements until the amount of credit has been met for that GT Pathways content area. Once a GT Pathways content area requirement has been met, any additional credit may be awarded to fulfill other degree requirements, such as general education, elective or major/prerequisite credit. For example, the GT Pathways history requirement is 3 credits. If a student brings passing cut scores on two different history exams (such as US History and also World History, which qualifies the student for at least 6 credits), then the student shall receive 3 credits applied towards the GT Pathways history requirement. Any additional credits may be awarded to fulfill other degree requirements, such as general education, elective or major/prerequisite credit at the institution's discretion.
  - Institutions determine the amount of credit to award for IB scores of 5, 6 & 7 but they must award at least 3 credits, or at least 4 credits for GT-SC1 (science courses with labs).
  - Colleges and universities may grant credit for other IB exams not listed on this table. Consult their websites for more information.
  - Please consult with your intended institution for World Language IB exam credits.
  - For Music IB exams, some institutions may require an audition before credit can be awarded. Please consult with your intended institution.
