Conference Goals:

- ✓ Create new Statewide Transfer Articulation Agreements in disciplines/program areas identified based on trends in student enrollment, workforce demands, and faculty interest: computer science, dance, engineering, journalism, and public health.
- ✓ Identify the content knowledge and competencies associated with bachelor's degree earners in the listed areas and create course/degree plans most likely to lead to their acquisition.
- ✓ Identify, from the perspective of faculty, obstacles that impede student progress toward successful completion of the associate and bachelor's degree in the listed areas, and strategies for overcoming these obstacles.
- ✓ Strengthen collaborative and collegial relationships among faculty from different institutions, particularly between two-year and four-year institutions.

AGENDA

All large group sessions (and Engineering breakouts) are held in Room 3160 (third floor)
Additional breakout rooms: M3750; M3690; M3710 (third floor)
