Executive Summary

Concurrent and dual enrollment programs allow high school students in Colorado to enroll in postsecondary institutions and earn credit towards graduation. There are several programs available, some of which offer tuition reimbursement by the school district. Statute (CRS 22-35-104) requires that Institutions of Higher Education provide a copy of their Concurrent Enrollment Cooperative Agreements with Local Education Providers to the Colorado Department of Higher Education, and state policy ([Section I, Part N - Service Areas](#)) directs the Department to annually update a list of these Cooperative Agreements. This report documents a current list of Concurrent Enrollment Cooperative Agreements.
