Conference Goals:

- ✓ “Revisit, Revise, and Renew” existing Statewide Transfer Articulation Agreements (STAAs) in selected disciplines/program areas to improve their Simplicity, Transparency, and Portability.
- ✓ Affirm the content knowledge and competencies associated with the bachelor’s degree and ensure that the collection of courses in the STAAs best prepare students for success in upper-division study and in the field upon graduation.
- ✓ Identify potential obstacles to more frequent use of STAAs and recommend course changes and other strategies for overcoming these obstacles.
- ✓ Strengthen collaborative and collegial relationships among faculty from different institutions, particularly between two-year and four-year institutions.
- ✓ Continue efforts to develop a Statewide Transfer Articulation Agreement in engineering.
